remember that the Title Guarantee Policies issued by the Chicago Title and Trust Company constitutes a contract in which the company agrees, in case the title is attacked, to defend it at the Company's expense. No other form of title papers carries such a guarantee.

Any title is subject to attack and if attacked must be defended; with any other system if an attack is made upon the title the owner must defend his title at his own expense.

The Chicago Title and Trust Company not only defends your title without expense to you if you have a policy, but in case of loss the Company, not the policyholder, bears the loss.
